Caregiving is pro-life!

“Faith helps us to break open the horizon beyond our own selves in order to see life as God does. God’s unconditional love ... points to a meaning and purpose for all human life.”

--Pope Benedict XVI,
to children with disabilities
and their caregivers, 2008

Caregiving is pro-life!

“A caregiver needs the support of others, not a hands-off attitude from the workplace, the community, the state, or the Church. A caregiver needs solid spiritual nourishment.”

--Monica Dodds, *A Catholic Guide
to Caring for Your Aging Parent*
