### ***Caregiving is pro-life!***

“I particularly greet and thank . . . all who serve the sick and suffering throughout the world. Thank you for your ministry close to our suffering Lord. The service of charity that you offer is a Marian service. Mary entrusts her smile to you, so that you yourselves may become, in faithfulness to her son, springs of living water. Whatever you do, you do in the name of the Church, of which Mary is the purest image. May you carry her smile to everyone!”

--Pope Benedict XVI,  
Eucharistic Celebration for the Sick,  
Lourdes, France, 2008

“Families which have the additional burden of caring for someone with chronic illness or disability often suffer real hardship in keeping things together. . . . But like all good things, the more you put into family life the greater the rewards. In fact, it might be more accurate to say that the more individuals put into their families, the greater the rewards for all of us.”

--Cardinal George Pell,  
Archbishop of Sydney, Australia,  
2001
