Caregiving is pro-life!

“Jesus tells us he is present in the weak, the vulnerable, the useless. He is there in the least of these (Matt. 25:31-46). Somewhere out there right now, a man is wiping the drool from an 85-year-old woman who flinches because she thinks he’s a stranger. No television cameras are around. No politicians are seeking a meeting with them. But the Gospel is there. Jesus is there.”

--Dr. Russell D. Moore, dean of the school of theology, Southern Baptist Theological Seminary

Caregiving is pro-life!

“Persons with disabilities challenge us to be more fully human and compassionate, to recognize the presence of God in each human being. This requires us to sacrifice, to ‘stretch our hearts,’ as Pope Benedict XVI has said. This requires us to gradually become more like Christ, which is after all the goal of every Christian life.
